# Every product has story to tell

Empowers you to speak with your customers Like

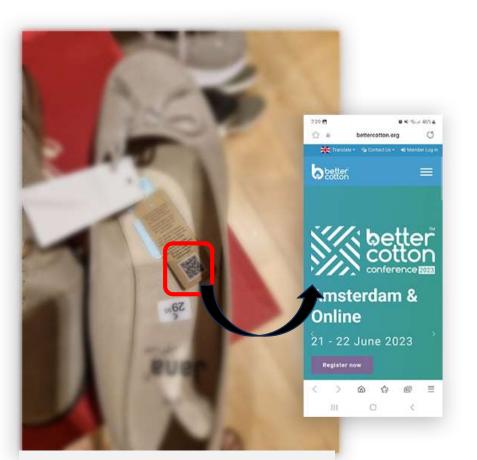

# **NEVER BEFORE**

# **Problems with present QR Codes**

- Just web address replacement
- ➡ Single entity at one time
- Need multiple QR Codes for one product
- ➡ Not so dynamic as required
- ➡ No customer connectivity
- → Must have web site live all the time
- > No content publish / unpublish control
  - Must to have functional URL
