# TESTIMONIALS (TRUMPETS CONFERENCE 2022)

First of all, I would like to thank our Man of God, Pastor Chris Oyakhilome, for giving youths the opportunity to be a part of God's work on earth. I also want to express my gratitude to our Highly Esteemed Director, Pastor Biodun Lawal for the wonderful opportunity to participate in the TRUMPETS Camp Meeting this year.

After attending the TRUMPET 2022 Conference, I want to testify about the overwhelming grace that was present throughout the event. The conference was full of life and power, with our Highly Esteemed Zonal Pastors ministering to us and sharing the word of God.

We had extraordinary moments in the presence of the Lord through prayer and worship. I remember a particular moment when Pastor Biodun called those who wanted to start youth churches in their countries to come forward for him to lay hands on them. I stepped forward, and I saw my youth leader and many other young people from different countries doing the same.

In January 2023, we started our Youth Church in France, precisely in Paris. It's been 7 months now, and we have our youth services every Sunday, experiencing continuous growth and glory. Our next goal is to start Teevo clubs in our schools in the 2024 academic year.

**Sister Fanelle Leander  
Djioufack Nana**  
Teens & Youth Church Coordinator  
CE Hannover Western Europe Zone 4.

Trumpets Conference 2022 was an unforgettable experience for us. At the Conference, we gained the crucial understanding of why it is so important for us young people to win our environment for Christ. He taught us, that we should never think that we are too young to be relevant for Christ. After the conference, we participated in the region-wide Reachout in December. On that day, we were in contact with over 50 young people in the city center of Hannover and distributed the Teevo and other ministry materials. Truly, the spiritual atmosphere in Europe is forever changed as young people in Hannover were excited to receive the gospel after the last Trumpets Conference.

# TESTIMONIALS (TRUMPETS CONFERENCE 2022)

**Sister Jennifer Eboniyeke**  
Teens/Youth Church Coordinator  
Paris 93 Western Europe Zone 2

I'm Sister Jennifer Eboniyeke from Western Europe Zone 2, serving as the Youth/Teens Coordinator of our Church in Paris. My journey in our ministry of our man of God, Pastor Chris Oyakhilome, has given my life a profound purpose. My life has witnessed an incredible transformation, from glory to glory, for which I am deeply grateful.

My heartfelt gratitude extends to our Highly Esteemed Director of the Teens and Youth Ministry, Pastor Biodun Lawal. Your passion and dedication to the ministry inspire me daily. As we eagerly anticipate the upcoming Trumpet Camp Conference from August 1st to 4th, I feel compelled to share a personal testimony.

Last year, at the T.R.U.M.P.E.T.S. Conference in Amsterdam, I was instilled with the courage to start my own Teens & Youth Church in Paris. Directly after the conference in the weeks following, I started it. This year, as Pastor Biodun Lawal returns, my heart swells with joy knowing that he brings with him the fullness of the blessings of the Gospel.

## 2023 TRUMPETS CAMP MEETING EXPECTATIONS

**Brother Carlson Muyuk**  
Teens/Youth Church Coordinator, CE  
Mülheim a.d.R O.F.  
Western Europe Zone 4.

I would like to thank our Highly Esteemed Teens and Youth Ministry Director, Pastor Biodun Lawal for yet another opportunity for Europe to be impacted. It's always a blessing to have you in Europe, Sir.

I'm very excited and ready to receive all that the Spirit would be communicating during this camp. After attending the Trumpet Conference last year in Amsterdam, I expect this year's Trumpet Camp Meeting to be explosive and charged up.

Whenever our Highly Esteemed Teens and Youth Ministry Director speaks, God's vision for Europe becomes clearer. During this camp, I won't just hear him speak, but I will see through his eyes. I will see my youth church shaking up Germany, breaking through those unseen barriers, and attaining the unimaginable.

I expect a massive increase in church membership after this camp. I see youths and teens becoming global partners. I see Germany being saturated with the Gospel in such a way that going to church on Sundays for young people would become so normal that those who don't go to church would seem odd.

# 2023 TRUMPETS CAMP MEETING EXPECTATIONS

Thank you, Highly Esteemed Pastor Biodun Lawal for the opportunity to share my expectations. My name is Sis Axelle, and I am the Teens & Youth Church Coordinator for CE Rennes. My expectation is to draw closer to God, my Creator, my Saviour, through activities designed for the camp activities that will allow us to grow spiritually. I am ready to make connections that will help me grow my faith, because the young people in the camp will share the same motivation and passion as I – to win my world for Christ. I am looking forward to a divine encounter during our praise and worship sessions. Lastly, I am sure that the unity in our region and the uplifting testimonies of others will help me grow my faith and be relevant in my world after the camp.

**Sister Axelle Penan**  
CE Rennes 2 Teens/Youth Church  
Coordinator. Western Europe Zone 2

**Pastor Faith Enigimi.**  
Western Europe Zone 1

I am very excited and grateful for the opportunity to share my expectations for the TRUMPETS Camp Meeting 2023.

I was privileged to attend Trumpets Conference 2022 with different plenary session and topics pertaining to how young people can win in today's world. Some of the topics included: "The militant teen and youth leader" and "Positioning ourselves for supernatural growth". I was really inspired by the highly esteemed Pastor Biodun's session on the significance of trumpets in the Bible and how they were used to assemble an army for war in the and to proclaim the year of Jubilee.

I expect my participation at the Trumpets Camp Meeting to stir up the gift of God in me to be like a centurion leading other soldiers to victory and give due diligence to the work with all it takes to win souls and finance the message of our ministry. I am looking forward to every part of the meeting so I will take cues from every segment and activity lined up to help direct my actions in starting cells and outreaches post-program.

After the TRUMPETS 2023, my expectations as a leader is to embark on a "no retreat, no surrender mission" to rearrange, reform, reset and reshape the mindset of teenagers and youth in our city and nation with the gospel of our Lord Jesus Christ. We will wipe out every anomaly from the minds of
